MEMORANDUM FOR: Deputy Director (Administration)

SUBJECT: Reproduction of "Germany's Underground" by
A. W. DullesREFERENCE: (a) Memo from Chief, General Services to
DD/A dated 27 March 1953, same subject
(b) Memo from CIA Librarian to Chief, Gen-
eral Services, dated 26 March 1953,
same subject

1. The referenced memoranda are returned herewith. This office sees no legal objection to the subject proposed internal reproduction.

2. It is suggested that the request for reproduction should cover the full order of 300 copies. The cost of the 200 copies requested by Mr. Dulles for his personal use can then be billed to him and should be paid for by his personal check in accordance with proper arrangements to be made by the Comptroller.

3. We should like to inject a note of caution that none of the copies should bear any indication of reproduction by this Agency. Such an indication might prove more than embarrassing if one of Mr. Dulles' copies should turn up in the wrong hands.

4. Paragraph 4 of reference (b) states that Mr. Dulles, as holder of the copyright for the subject publication, has no objection to reproduction for internal Agency use. To avoid any future complications and in keeping with normal practice in matters of this nature, we believe that prior to reproduction a signed release for limited use within the Agency should be obtained from Mr. Dulles covering the full order of 300 copies. A form of such a release is attached hereto.
